## Specific target group

The "Versailles in Arras" partnership with the City of Arras, the Hauts-de-France region and the Palace of Versailles has reaffirmed the desire to democratise the culture of the Arras Musée des beaux-arts.

Associations and organisations dedicated to groups with social issues or handicaps can enjoy a special reception and accompanying guide.

The Musée des beaux-arts offers them guided tours of the permanent and temporary collections of the Museum, adapted to different groups of visitors. Entry to the museum and guided tour are free of charge.

For projects and guided tours, please contact Françoise Avignon, cultural mediator of the museum on 0321506935 or [f-avignon@ville-arras.fr](mailto:f-avignon@ville-arras.fr)
